

# Village of Glenwillow Community Gardens

The Village has developed a Community Garden for residents who would like to plant a vegetable garden over the spring and summer. The Service Department will see that each plot of land is tilled initially and then each participating resident will be responsible for planting, watering, weeding and harvesting the crops. The Village will supply a water source near the garden area.

**The gardens are located  
at 28875 Pettibone Road**

**Please note: This is a different  
location than last year**

If you would like to reserve a plot or are interested in more
