

REPORT FROM THE MAYOR

Volume 1, Issue 4

AUGUST 2006

Dear Resident:

I hope you are having a wonderful summer and are taking advantage of some well-earned downtime. I want to take this opportunity to update you on a few items.

Mayor Donald N. Payne

- ◆ We have had two tremendous concerts in the park with two more scheduled for August 20th and September 10th. The turnout has been great! Bring your lawn chair and blanket and enjoy the music. Refreshments are provided.
- ◆ For those of you who had flood damage to your home, please check for mold. Mold growth is a common occurrence in flood-damaged homes and damp environments exposure can cause health problems. The Ohio Dept. of Health provides a comprehensive description of how to clean and disinfect mold-damaged homes at www.odh.ohio.gov.
- ◆ Richmond Road Sanitary Sewer project is complete.
- ◆ Construction of the Richmond Road Pump Station is ready to start.
- ◆ The study of the Richmond Road Corridor Study in connection with Oakwood, solon, Twinsburg, Macedonia, and Bedford Heights is progressing.
- ◆ The Village and University Hospitals have a partnership for free cardiovascular screenings for the senior residents. More information to follow.
- ◆ All new homeowners who have not had their lawns installed will receive notification of when their completion date will be.
- ◆ Lifeline is a personal response and support service for the elderly or infirmed residents. Lifeline, a service with a "help" button, puts you in touch with caring Lifeline Monitors who talk to you to find out what kind of help you need. Your health and well being is Lifeline's only concern. This is a free service to seniors who meet a certain criteria. I encourage you to join those who are living independently in their homes thanks to Lifeline. For more information on Lifeline, please call Wendy Brooks 216-896-8730.

FOR YOUR INFORMATION

HAWAIIAN LUAU

The Glenwillow Police Department is hosting their 5th Annual

Children's Safety Fair on Saturday, August 19, 2006 from 12 noon to 3:30 PM. The location is 29555 Pettibone Road at Village Hall.

The theme is a Hawaiian Luau. Entertainment will be Hawaiian magician, safety presentations, games, and raffles. Lunch, drinks and snacks will be served. It is open to children of all ages. Children under 7 must be accompanied by a parent or older sibling.

Invitations will be hand delivered and rsvp by August 14 by calling 440-232-8787.

Any additional questions, please contact Cpl. Russo.

PHONE BOOK RECYCLING

Your old phone books can be recycled at the Village Service Garage until August 30, 2006. Books collected through this year's program will be recycled by a Cleveland recycling center into various paper products. This campaign is sponsored by the Cuyahoga County Sewer Waste District.

ANIMALS RUNNING AT LARGE

The codified ordinances of the Village of Glenwillow state that we do not permit running at large for any animals. Owners must keep their animals physically confined or restrained on their own property by leash, adequate fence, supervision, or secure enclosure to prevent escape.

If you see animals running at large, you can call our animal warden, Ed Vaughn at 440-543-5996. Leave your message on his recorder and he will return your call as soon as possible.

The Cuyahoga County Board of Health (CCBH) has recently identified a rabies positive raccoon in the Bentleyville area. Over recent years, rabies has been spreading through the wildlife population in Northeast Ohio. A total of six rabies-positive animals have now been found in Cuyahoga County.

Rabies is a disease that causes serious illness and sometimes death in people and animals. Animals such as raccoons, skunks, bats, foxes and coyotes can carry the disease. An animal that has rabies can spread it when it bites or scratches a person or a pet. People and pets can also get rabies when the saliva of a rabid animal gets into the eyes, the nose, the mouth or an open wound.

To protect you and your family from this serious illness, CCBH offers the following recommendations:

- ◆ Vaccinate you cats, dogs and ferrets against rabies
- ◆ Never attempt to handle an animal that looks sick or hurt. Contact your local animal control office.
- ◆ Avoid approaching other people's pets if they do not know you. They may become frightened or angry.
- ◆ Avoid feeding wildlife.
- ◆ If you are bitten or scratched by an animal, seek medical attention immediately. Wash the wound thoroughly with soap and warm water and contact the CCBH at 216-201-2001.
