REPORT FROM THE MAYOR

Dear Resident:

Listed below are a few updates:

The Citizen Advisory Committee met on Wednesday, November 15th to discuss the possible projects for the Community Development Block Grant funding. Cuyahoga County authorizes the grant funds through a competitive process. The maximum grant award is \$150,000. The Village has been very successful in receiving these grants the past several years.

Some of the projects that this money have been used for in the past are:

- ♦ Pettibone Road (North) Streetscape Project—2003
- ♦ Austin Powder Streetscape Project—2004
- ♦ Richmond Road Sanitary Sewer Project—2006
- ♦ Pettibone Road (South) Streetscape Project—2006

The Village of Glenwillow was successful in getting a \$104,000. grant for our planned Pettibone Road Multipurpose Trail. As you can see from the attached press release from the Ohio Department of Natural Resources, Glenwillow was one of only 13 (out of 52 applications) to be successful in getting any part of the available \$928,928.00. We are very fortunate and thankful for this as well during this thanksgiving season.

I would like to have your input as to future projects. You can email me at dpayne@glenwillow-oh.gov or call me at 440-232-8788.
