

REPORT FROM THE MAYOR

Dear Resident:

The Village of Glenwillow is experiencing shorter summer days and another annual ritual as well; the return to school. The beginning of school is a time when children are at increased risk of injuries from bicycle, school bus, and motor vehicles crashes. Indeed, today this includes skateboards, scooters and rollerblades. Many more children are on the sidewalks and roads each morning and afternoon. So, as schools open their doors on August 25th, PLEASE follow these traffic safety practices:

Mayor Donald N. Payne

- ◆ Slow down and obey all traffic laws and speed limits.
- ◆ Red overhead flashing lights, possibly accompanied by an extended stop arm tell you the school bus is stopped to load or unload children. Stop at least 20 feet from the front or rear of the school bus when red lights are flashing and do not proceed until school bus resumes motion. If you are ticketed in Glenwillow, it is a non-waiverable violation and you can be fined up to \$500.
- ◆ Be alert and ready to stop. Prepare to stop for a school bus when overhead yellow lights are flashing. Drive with caution, watch for children walking in the street and keep an eye on children playing and gathering near bus stops.

VILLAGE OF GLENWILLOW MASTER PLAN

The Master Plan is moving toward completion. On Wednesday, August 12th at 7:30 PM, there will be a meeting of the Planning Commission to provide input regarding the draft plan prior to the formal adoption meeting in October. This Planning Commission meeting is a public meeting and all citizens are welcome to attend and listen to the discussions concerning the Master Plan.

LABOR DAY

Monday, September 7th, the Village Hall Administration, Building and Service Departments will be closed due to Labor Day. Traditionally, Labor Day is celebrated by most Americans as the end of summer and often regarded as a day of rest. The holiday originated in 1882 by a labor union that sought to create "a day off for the working citizens". Congress made Labor Day a federal holiday on June 28, 1894.

Note: Rubbish will be picked on Tuesday, September 8th due to the holiday.

PLEASE HAVE A SAFE AND HAPPY LABOR DAY!
