RE: NOACA 2024-2025 CMAQ Award and Agreement

Dear Mayor Cegelka,

Congratulations! We are pleased to inform you that the following projects were selected for funding in the Northeast Ohio Areawide Coordinating Agency's (NOACA) Congestion Mitigation and Air Quality (CMAQ) program as they represent an alignment of NOACA and community priorities toward the implementation of the region's *AIM Forward 2040* long-range transportation plan.

Project Name	NOACA Funding	Work Phase	SFY
Glenwillow Broadway/Richmond Intersection	\$1,369,288 (80% CMAQ)	Construction	2025

Thus, NOACA will provide eligible purchase costs, up to the maximum amount in the specified State Fiscal Year of implementation. The local share must be provided from a non-federal funding source.

This funding award represents a partnership between Glenwillow and NOACA to implement the stated projects. Enclosed with this letter are 'Sponsor Partnership Responsibilities' that the project sponsor must agree to as a condition of accepting funding. Please read all of the conditions carefully, sign, and return as soon as possible. After we receive your signed acknowledgement of Sponsor Partnership Responsibilities, NOACA will work with the appropriate state and federal agencies to program the projects in the TIP for the stated funding amount and indicated year of implementation.

If you have any questions, please do not hesitate to call me at (216) 241-2414, Ext. 100. Also, your staff may contact Randy Lane, Director of Programming, at (216) 241-2414 ext. 300 or by email at rlane@mpo.noaca.org.

On behalf of NOACA, we are excited to be a partner toward the successful planning and implementation of your projects.

Respectfully,

Grace Gallucci
Executive Director
