Mark A. Cegelka  
Office of Mayor

Dear Glenwillow Residents,

We are continuing to carefully monitor and assess the changing situation daily. This is a time to neither panic nor ignore precautions. Rather, it is a time to make calm, rational and prudent decisions in order to ensure your health and the health of others. Currently our Village Hall is closed to the public for the well-being of our residents, Village employees and visitors, per the Governor's Stay at Home Order. **Be assured my Staff, Council and I will continue to be of service and we are available by calling our main number at Village Hall, 440-232-8788 should you have any questions or need assistance.** If you need Police assistance, please call the non-emergency number 440-349-1234. In an emergency please dial 911. The Police Department and Fire Department are readily available to respond to your needs.

As Mayor, I understand that there are challenges for each member in our community. This is a time where we as a community we can make an impact. If you know a neighbor who may have trouble taking care of themselves or may need some help, please call my office or your Council Representative and let us know. We have volunteers who are willing to help those that may need help picking up essential items such as medication and food. If you know someone in need or would like to volunteer, please call Village Hall at 440-232-8788.

Please be assured that we will continue to move forward and adjust to be able to provide you with the service you are used to while implementing steps to maintain safety and wellness of every citizen and employee. Republic Services will continue to pick up rubbish without any disruption, however, no additional rubbish outside of the cart that is not in a sealed/tied bag will be picked up. Large amounts of debris, loose items, and bulk items such as furniture and appliances will not be picked up at this time. All rubbish and recycling must be placed into the rubbish carts. We ask that all rubbish and recycle containers be removed from the street on the same day of pick up.

Please remember we are all still in this together. We encourage you to follow the guidelines laid out in the Governor's Stay at Home Order and the guidelines of the CDC and the Board of Health including handwashing, only travel if necessary, and maintaining social distancing a (staying 6 ft. apart from others). I will continue to update you as we all navigate through this challenging time. For the latest news and information please visit the CDC Website [www.cdc.gov/COVID-19](http://www.cdc.gov/COVID-19) or the Board of Health at [www.ccbh.net](http://www.ccbh.net).

Sincerely,

Mark A. Cegelka, Mayor

Councilman Jeff Adie  
Councilman Tony DeCarlo  
Councilman Gurvis Smith

Councilman Don Banas  
Councilwoman Barb DiBacco  
Councilman Larry Sylver
