- NO Items Containing Liquid Mercury - Thermometers, Thermostats, etc.

SHREDDING

The Village will provide an on-site secure shredding vehicle. This will provide residents the opportunity to bring material that is personal and confidential to the site to have it shredded while they watch.

Identity theft can happen to anyone. Shredding your personal documents reduces the chances that you will become a victim. A breach of someone's identity can have a great impact on personal wealth along with the added cost to re-establish one's identity & credit issues that arise. It's also a great way to reduce clutter. Shredding will take place in the Village Hall parking lot.

* If you are a Senior Citizen and need help in disposing of any of the items above, please contact the Service Department.
