COMMUNITY GARDENS

The Community Gardens were created for residents who would like to plant and grow their own fresh fruits and vegetables. The garden area is located at 28875 Pettibone Road. Each plot of land is tilled initially, and each participating resident is responsible for planting, watering, weeding and harvesting their plot. The Village will supply a water source so you are able to water your plot. A great addition to the garden area are restrooms and a pavilion!

Plots are reserved on a first come first serve basis by submitting an application.

For more information or to receive an application, please call or email Lori at 440-232-8788 or email lpepera@glenwillow-oh.gov
Or visit our website at www.glenwillow-oh.gov

PAVILION RESERVATIONS ARE NOW BEING ACCEPTED

Pavilions are located within the Donald N. Payne Recreation Center and at the Pettibone Road Park, across from the Glenwillow Grille. Both locations can accommodate up to 50 people, have charcoal grills, electricity, bathrooms and parking spaces.

There is no rental fee for use of the pavilion by a Village resident or business located within the Village. The fee, if applicable, and a refundable deposit of \$100.00, shall be payable at the time of application. Please note that if this application, accompanied by your rental fee and deposit, is not returned within a week, your reservation will be cancelled. The Village of Glenwillow accepts Cash or Check. Return the application with payment to the Village of Glenwillow, 29555 Pettibone Road, Glenwillow, Ohio 44139.

Village residents, businesses and organizations shall be given priority in the scheduling and use of the pavilions. The Village shall have the power to make inquiry to ensure that there is a bona fide uses for the pavilion by Village residents, businesses, or organizations who, or which, are the applicants for the pavilion.

Cancellations require 48 hours notice for a full refund. Any cancellation thereafter will be 50% of the fee. A service charge will be assessed on all refunds. Also, any damage or clean-up to the Pavilion area will be deducted from the \$100.00 deposit.

The pavilion must be restored to its original condition after your event has been held. You are responsible for clean-up. RECYCLING REMINDERS

Recycling contamination is a major problem. Contamination happens when well-intended recyclers mistakenly put the wrong items into their recycling. It can wreak havoc on the recycling process throughout the world.

The best way to avoid recycling contamination in your curbside recycling is to recycle only these five core items:

- **CANS:** Empty and rinse.
- **CARTONS:** Empty and rinse. Replace the cap -- it's too small to be recycled by itself!
- **GLASS BOTTLES & JARS:** Empty and rinse.
- **PAPER & BOXES:** Flatten cardboard items, like cereal boxes, to save space.
- **PLASTIC BOTTLES & JUGS:** Empty and rinse. Replace the cap.
Place these items loose – not bagged – in your recycling bin. All items should be empty, clean, and dry. Plastic bottles and jugs include items with an opening or neck that is narrower than the body.

To learn more about recycling best practices or other disposal options visit www.cuyahogarecycles.org or call 216-443-3749.

Payment Assistance Programs for Gas and Electric Service

Percentage of Income Payment Plan Plus (PIPP Plus)

The Percentage of Income Payment Plan Plus program – PIPP Plus – is Ohio's income-based payment program that helps low-income households maintain gas and electric service. PIPP Plus allows you to pay a percentage of your household income instead of the actual amount of your bill.

Pay as Low as 5-10% of Income or \$10 Per Month

Program Availability

Open year-round

Benefits

- **Consistent Bills:** Monthly payments based on a percentage of household income.
- **Bill Credit:** Monthly bill credit to pay the difference between the consumption charges and the PIPP payment
- **Forgiveness Credit:** Forgiveness credit for preprogram debt

How it Works

Customers enrolled in this program must pay a percentage of their household income - the PIPP Plus Amount - every month of the year. Customers who do not heat their homes with electricity will be required to pay 6 percent of their gross monthly household income each month or \$10 (whichever is more). Customers who heat their homes with electricity will be required to pay 10 percent of their gross monthly household income each month or \$10 (whichever is more).

Customers who are no longer eligible for PIPP Plus because of their household income may participate in the PIPP Arrearage Crediting (PAC) plan. PAC helps customers pay off the amount in arrears that was deferred while enrolled in PIPP Plus.

Eligibility Requirements

Eligible customers have a household income at or below 150% of the federal poverty level.
