

LATEX PAINT DISPOSAL

Latex Paint is **NOT HAZARDOUS** and can be disposed of in the trash once it is dried out.

Instructions for Latex Paint Disposal

1. Place paint indoors or under cover
2. Remove and dispose of lid separately. Add drying agent (kitty litter, oil dry, saw dust, or plaster of paris) and mix.
3. Dispose of can once paint has hardened
4. If disposing a large quantity of latex paint, call your waste hauler prior to pickup to inform of presence and quantity.
5. Never dump paint or other waste down a storm drain, sanitary drain or in a ditch!
6. Do not place paint in the dumpster until it is completely dry.
